

Service Chemical, LLC

Service Chemical Line Card

Specializing in Chemical Alternatives for:

- Toxic use reduction
- Volatile organic compound reduction
- Waste minimization
- Flammable solvent reduction
- Ozone depleting substance reduction
- Hazardous air pollutant reduction

REGISTERED DISTRIBUTOR FOR:

HONEYWELL - *Genesolv Series*

Genesolv 2000 Precision Vapor Degreaser

Genesolv 2004 Precision Vapor Defluxer

ASAHIKLIN - *Specialty Industrial & Electronic Chemicals,*

NEW-AK-225 Vapor Degreasing, Defluxing, & Displacement

Drying Solvents

AK-225	AE	ATMS	AMS
ATE	AK-225T	AK-225 DH Drying Solvent	

AIM SOLDER - *Solders for Electronics Assembly, PC*

Fabrication, & Component Production

VOC free fluxes	Wire solder
VOC free solder paste	Solder paste
Bar solder/Anodes	Liquid fluxes
Specialty Alloys	

PETROFERM - *New Lenium Vapor Degreasing Solvents & Advanced Medical Fluids*

Defluxers	D-Limonene/Terpene
Esters	Organic solvent systems
AVD systems	Stencil cleaners
Tape residue removers	Solvating agents
Degreasers	Semi-aqueous cleaners
Aqueous cleaners	Pre-saturated solvent wipes
Wax removers	Petroleum Hydrocarbons

Vapor Degreasing Fluids

Lenium ES Precision defluxing solvent Azeotrope
Lenium CP Solvent for delicate plastics & elastomers
Lenium GS Precision degreasing solvent

PHARMCO PRODUCTS – *Reagent & Specialty Chemicals and High Purity Solvents*

USP/NF, FCC	Kosher
Reagents ACS	HPLC

PURITAN PRODUCTS - *High Purity Processing Chemicals*

Semiconductor	Electronic
---------------	------------

PROTECTOSEAL - *Products for Hazardous & Flammable Liquids Management*

Safety cans	Spill containment equipment
Safety storage cabinets	Safety liquid pumps
Drum storage	Dispensing equipment

ADDITIONAL SERVICE CHEMICAL SPECIALITIES:

- **Chlorinated Solvents:** Trichloroethylene, Methylene Chloride, Perchloroethylene
- **Commodity/Generic, Specialty Solvents, Custom Blends:** Active Solvents; Acids/bases; Plating, Metal finishing, Water treatment, PC Fab chemicals; Petroleum solvents; Blends; Alcohols, Ketones
- **U.N./D.O.T. Approved Containers:** Pails, drums, cubic yard containers
